

The Learning Village Montessori
Uniform Policy
Effective December 2020

Overview

The purpose of the uniform policy at The Learning Village Montessori school is to help promote the traditions of an education designed for excellence, and to provide a standard for our students. This fosters an environment conducive to learning, respectful behavior, and unity. Uniforms are worn throughout the academic school year, with the exception of special casual dress days. Parents are expected to be the primary monitors of the uniform policy and help ensure their child is in uniform each day.

- Uniforms are worn Monday through Friday and for special school functions, including, but not limited to, all school events, picture days, Holiday programs, and Graduation.
- Every student is required to have a TLVM sweater to wear for special school functions.
